Description

This Mazda2 HYBRID 1.5h Pure CVT Euro 6 (s/s) is a compact and efficient hatchback that combines stylish design with hybrid technology for improved fuel efficiency and reduced emissions.

Engine: This model features a 1.5-liter hybrid engine, designed to optimize performance while utilizing both petrol and electric power, enhancing fuel efficiency.

Transmission: The vehicle is equipped with a CVT (Continuously Variable Transmission), which provides smooth acceleration without the traditional gear shifts, contributing to a comfortable driving experience.

Emissions: As a Euro 6 model, it meets stringent emissions regulations, making it a suitable option for environmentally-conscious drivers and compliance with low-emission zones.

Body Style: The Mazda2 is a 5-door hatchback, offering practical access for passengers, along with versatility for cargo space, making it ideal for city commuting and everyday use.

Trim Level: The "Pure" trim typically represents a more straightforward configuration that includes essential features

while maintaining affordability and efficiency without excessive luxuries.

Colour: This model is finished in white, which gives it a clean and modern look, enhancing its appeal.

Overall, the Mazda2 HYBRID is recognized for its engaging driving dynamics, compactness, and fuel efficiency, making it a great choice for urban and eco-conscious drivers. If you have any further questions or need additional information about this vehicle, feel free to ask!
