Description

This 2024 Kia Stonic T GDi GT Line is a superb example, having had only one owner from new. This stylish GT Line trim vehicle is powered by an efficient 1.0 litre petrol engine, meeting Euro 6 emission standards. It comes equipped with striking LED Bi Function Projection Headlights and LED Position Lights, enhancing both visibility and its modern appearance. Inside, you'll find an 8 inch touchscreen navigation system that seamlessly integrates with Android Auto and Apple CarPlay, keeping you connected on the go. The cabin also benefits from Solar Windshield Glass for added comfort and an adjustable cargo floor for practical versatility.

The Kia Stonic T GDi GT Line offers a compelling package with several key advantages. Its impressive fuel economy of 47 miles per gallon means fewer trips to the petrol station, while its low CO2 emissions contribute to a more environmentally friendly drive. Furthermore, its placement in a low insurance group makes it an economical choice for many drivers. These factors combined indicate that this Stonic is designed to be more cost effective to run and own compared to many other vehicles in its class.
